Our Policy & Commitment

Anishka Verma is a young author and entrepreneur. The website anishkaverma.com is about her manual for English students everywhere to help and guide them. The team is fully committed to accessibility, diversity and inclusion. We are dedicated for making the website Contents and images accessible to everyone, including people with disabilities. We are firmly dedicated to complying with the Americans with Disabilities Act of 1990 (ADA), as amended.

Digital Accessibility Statement

Our target accessibility standard is the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines (WCAG) 2.1 Level AA. In our endeavor to meet this level, we have dedicated resources to our digital accessibility compliance effort, specifically directing appropriate resources to the individuals responsible for designing, developing and testing our websites and other digital assets.
